His Excellency Mr. Marc Michielsen Ambassador of Belgium to Thailand Bangkok

Your Excellency Mr. Marc Michielsen:

The Academic Community of Assumption University of Thailand, the Rector Emeritus and I, received with deep sorrow the news of the passing away of Her Majesty Queen Fabiola of Belgium on December 5, 2014.

The demise of this remarkable royal personality is the saddest moment to the Kingdom of Belgium as it is to the academic community of Assumption University of Thailand where Her Majesty had paid visits in the years 1995 and 1998 respectively.

We remember the two momentous visits of Her Majesty Queen Fabiola first, to receive on the Late King Baudouin's behalf, a posthumous Doctor Honoris Causa Degree in Arts and letters and then at Her Majesty's own behest, to attend a Private Holy Mass at the Assumption University's Chapel of the Annunciation at our Hua mak campus. On both visits, we evinced from Her Majesty grace and astute Catholicism. Queen Fabiola represented the people of Belgium so richly through her faith in God, Jesus and Mary, and through her humility to be open to God's will in her relationships with people from all walks of life, from around the world. I pray that Almighty God reward Her with eternal rest and that the light of the presences of Jesus and Mary will shine perpetually over their late Majesties, the grieving Royal Family members and all the people of Belgium.

I stand with the Academic Community of Assumption University with solidarity of support through prayers for the repose of the soul of Her Majesty Queen Fabiola, and with affinity and empathy with the grieving, through the power of our Almighty father, the Son and the Holy Spirit.

Sincerely,

Rev. Bro. Bancha Saenghiran, f.s.g., Ph.D.

To The Bereaved Members of the Royal Family of Belgium

I received with deep remorse the news of the passing away of Her Majesty Queen Fabiola of Belgium on December 5, 2014.

The loss of the life of this great and unassuming royal personality marks the saddest moment to the Kingdom of Belgium as it does to the academic community of Assumption University of Thailand where Her Majesty had paid visits in the years 1996 and 1998 respectively.

In my personal interactions with their Late Majesties King Baudouin and Queen Fabiola I discovered a new humanity in Catholic Values, emanating from their lives and touching the lives of the catholic Community in Thailand, through the values espoused in the writings of King Baudouin which I had facilitated to be translated into the Thai language, and circulated among the institutions of the Catholic Education Council of Thailand in the mid 1990's. Queen Fabiola witnessed my work with deep sensitivity and a proclivity which deepened my faith and hope in the meaning of Christian life. Queen Fabiola represented the people of Belgium so richly through her faith in God, Jesus and Mary, and through her humility to be open to God's will in her relationships with people from all walks of life, from around the world. I pray that the Almighty God will indeed reward her with eternal rest and that the light of Jesus and Mary will shine perpetually over their late Majesties, the grieving Royal Family members and all the people of Belgium.

I stand with the Academic Community of Assumption University with solidarity of support through prayer for the repose of the soul of Her Majesty Queen Fabiola, and with affinity and empathy with the grieving through the power of our Almighty father, the Son and the Holy Spirit.
