Restart...

Shut Down...

Lock Screen

Log Out Diamond...

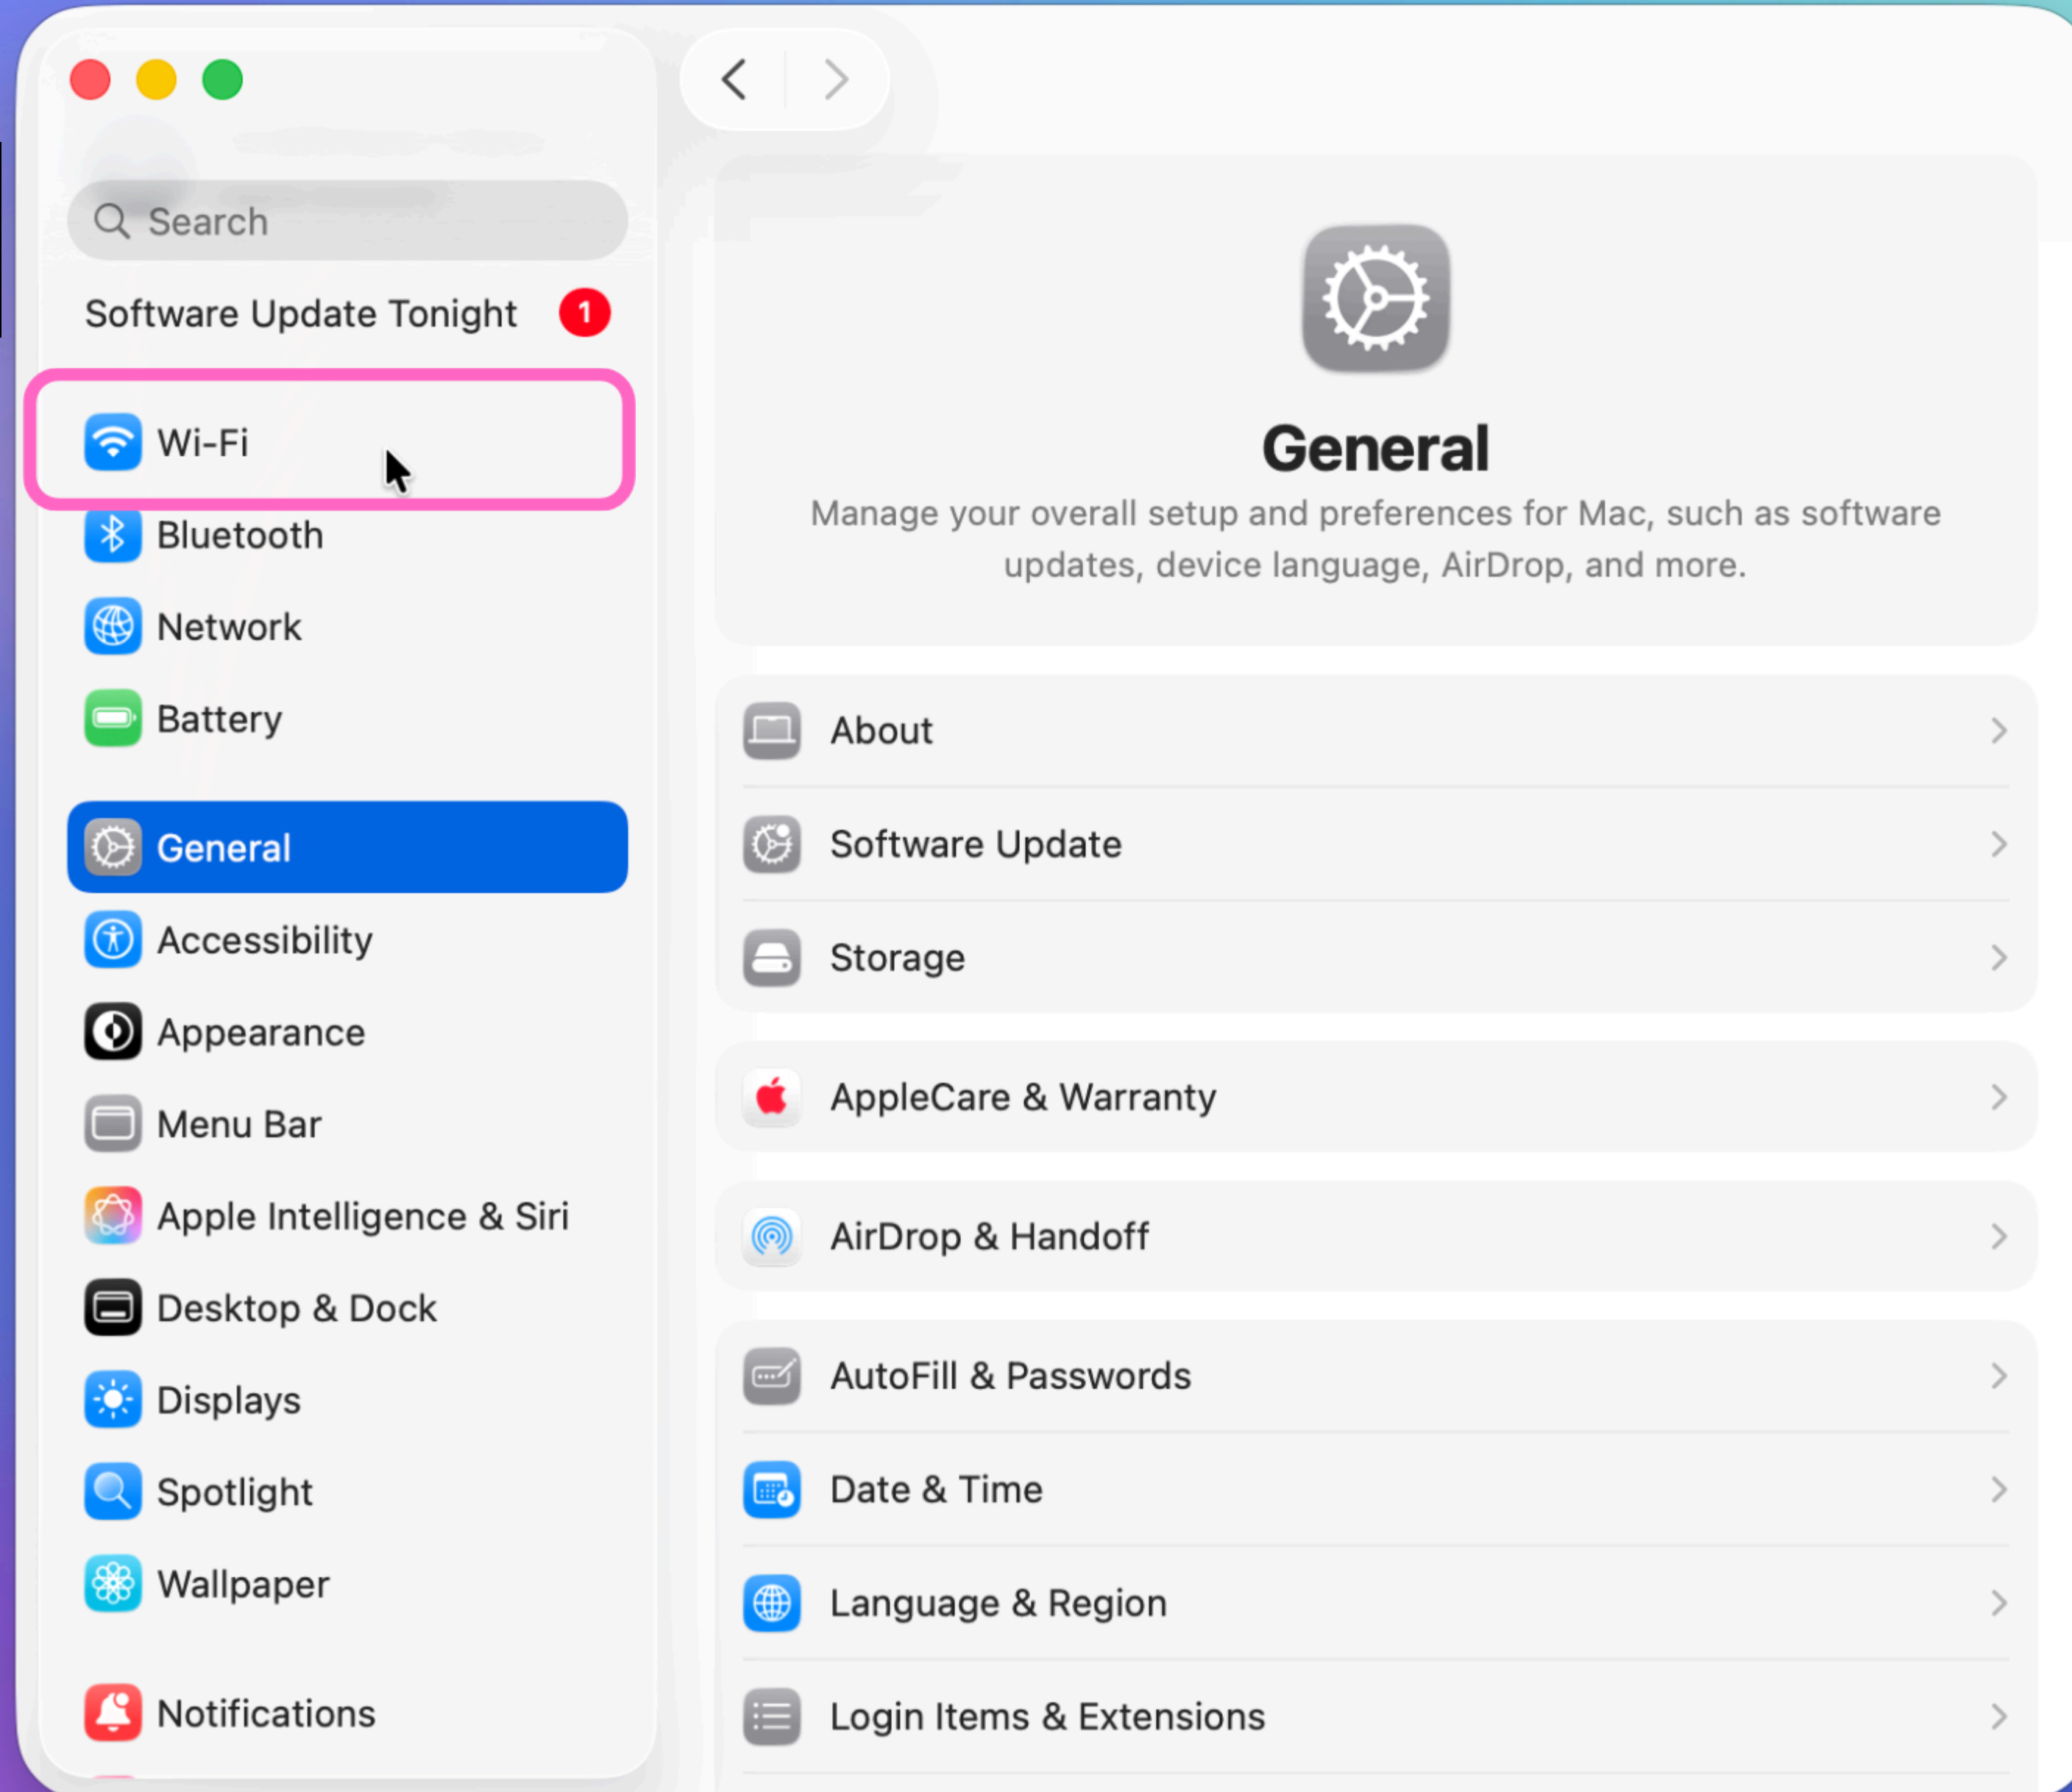

2

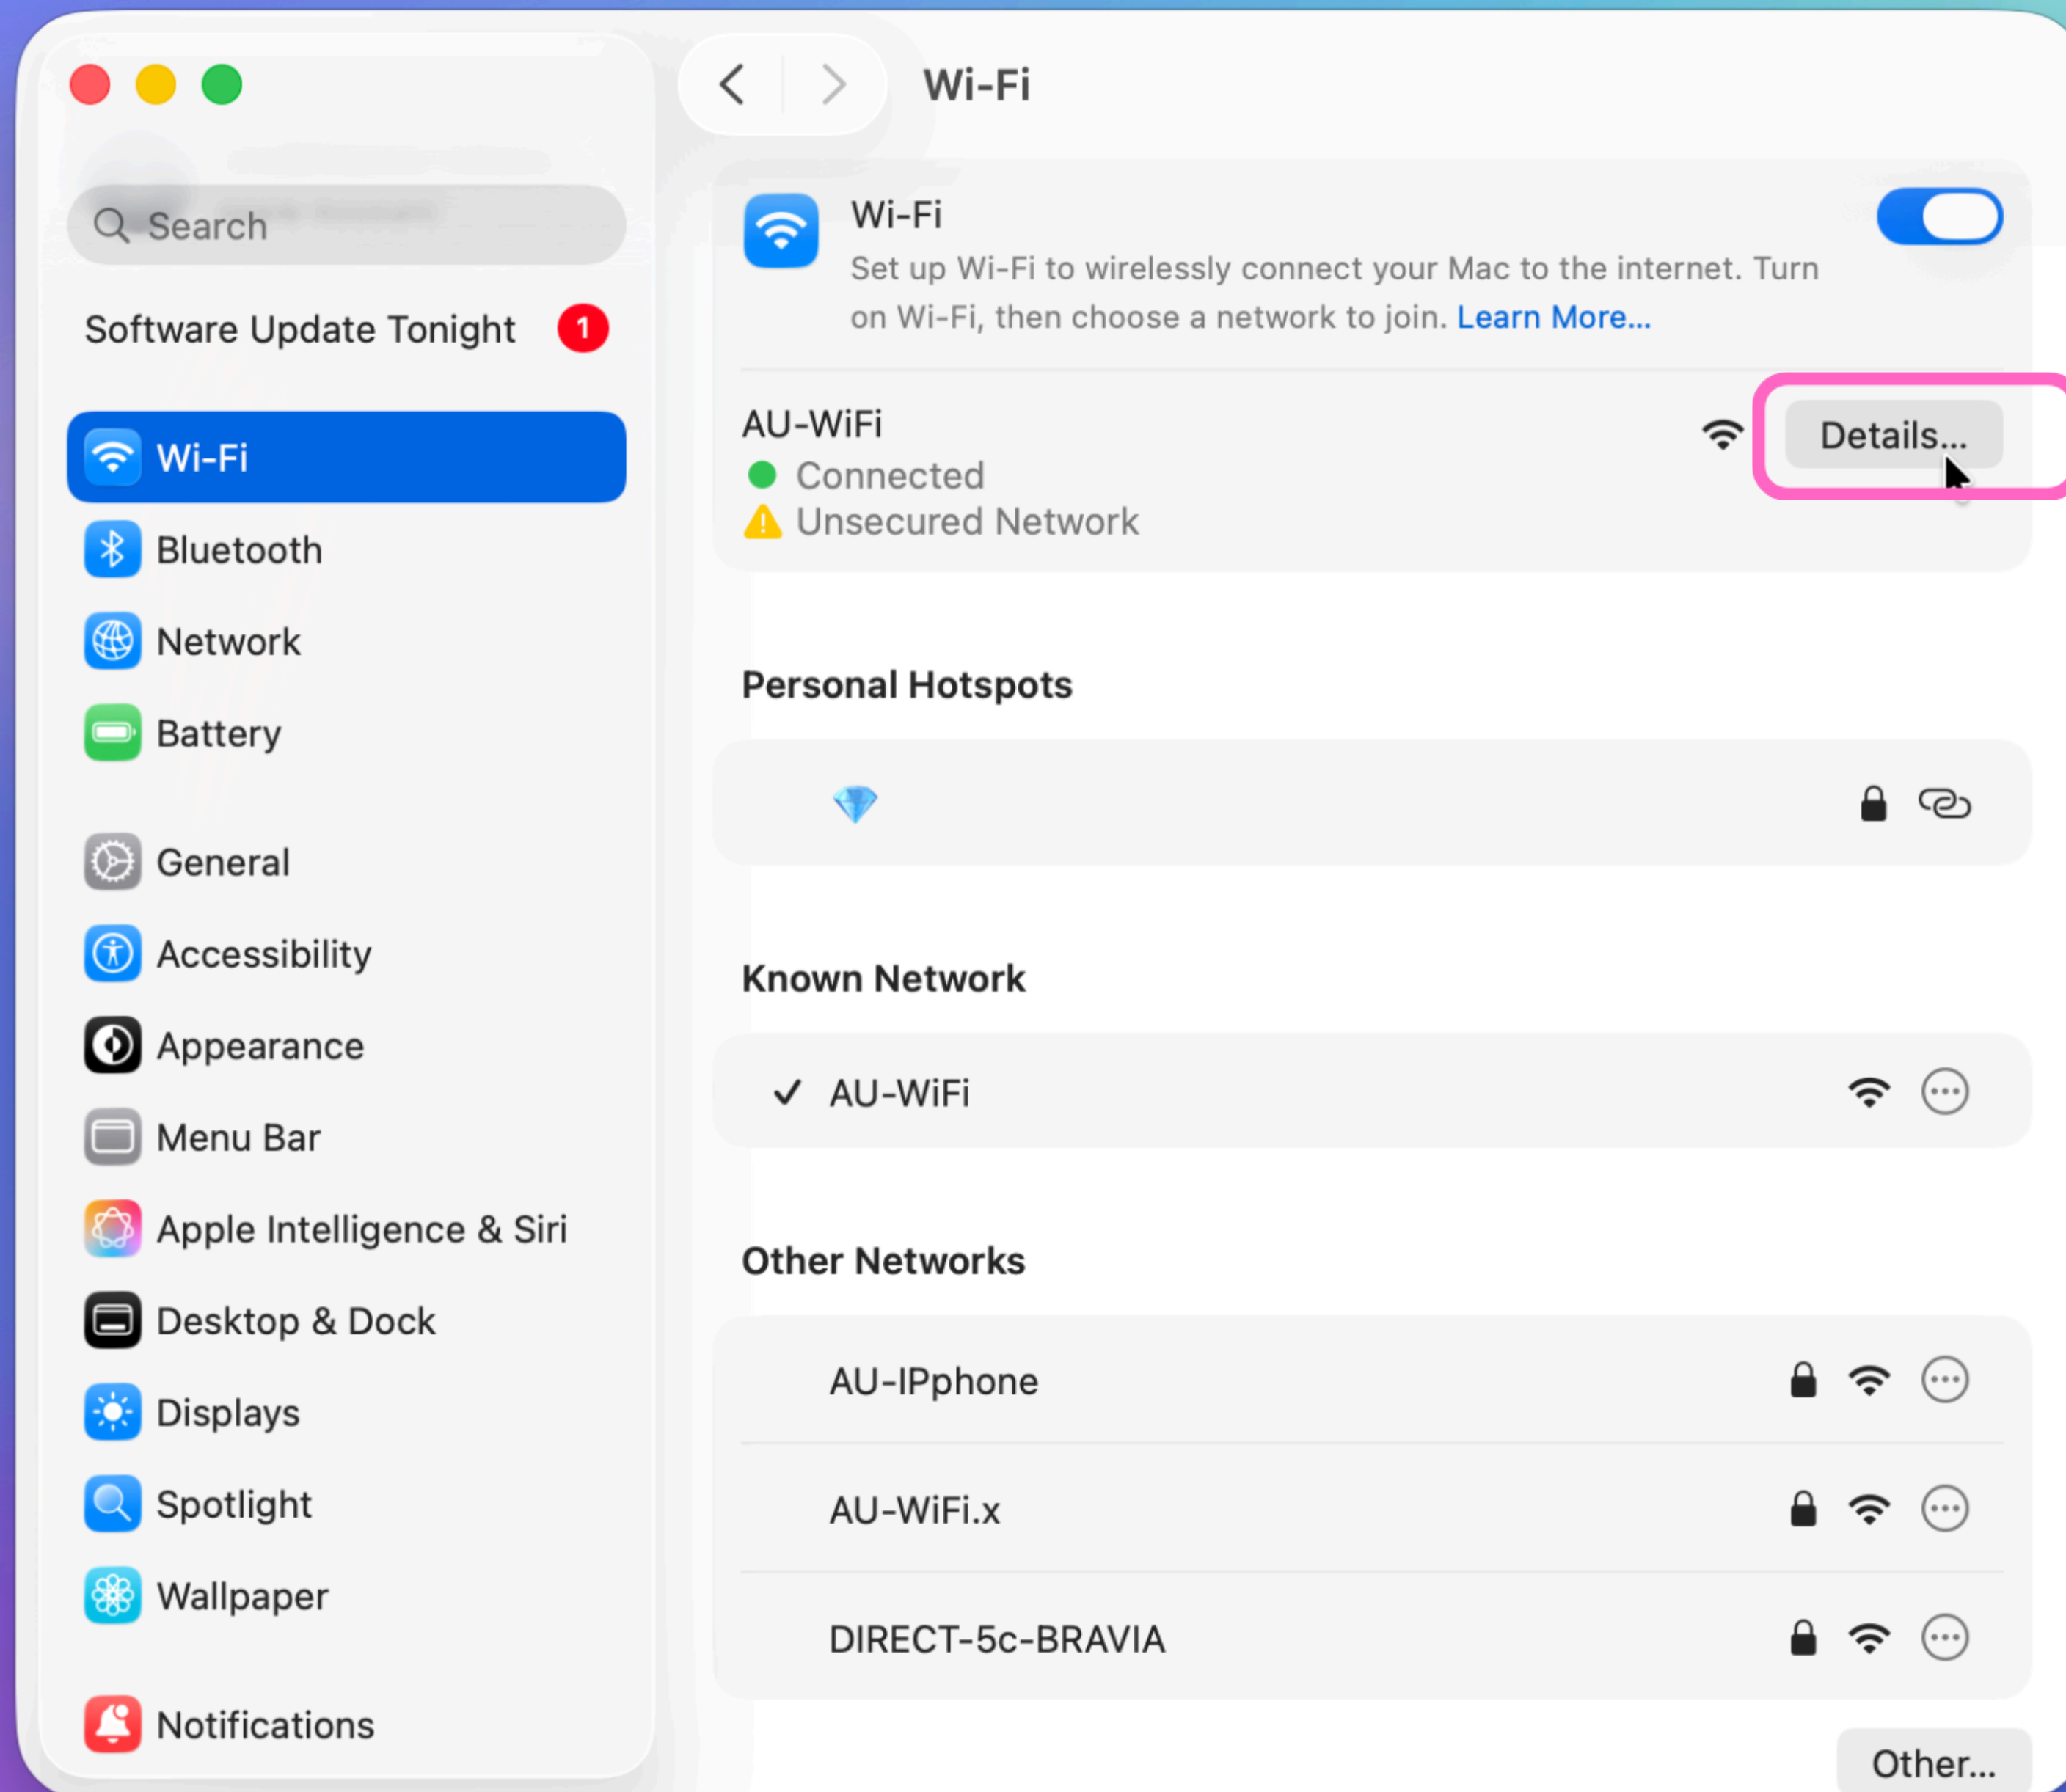

Select **System Settings**

*This opens your Mac's main settings window.

3

Click Wi-Fi.

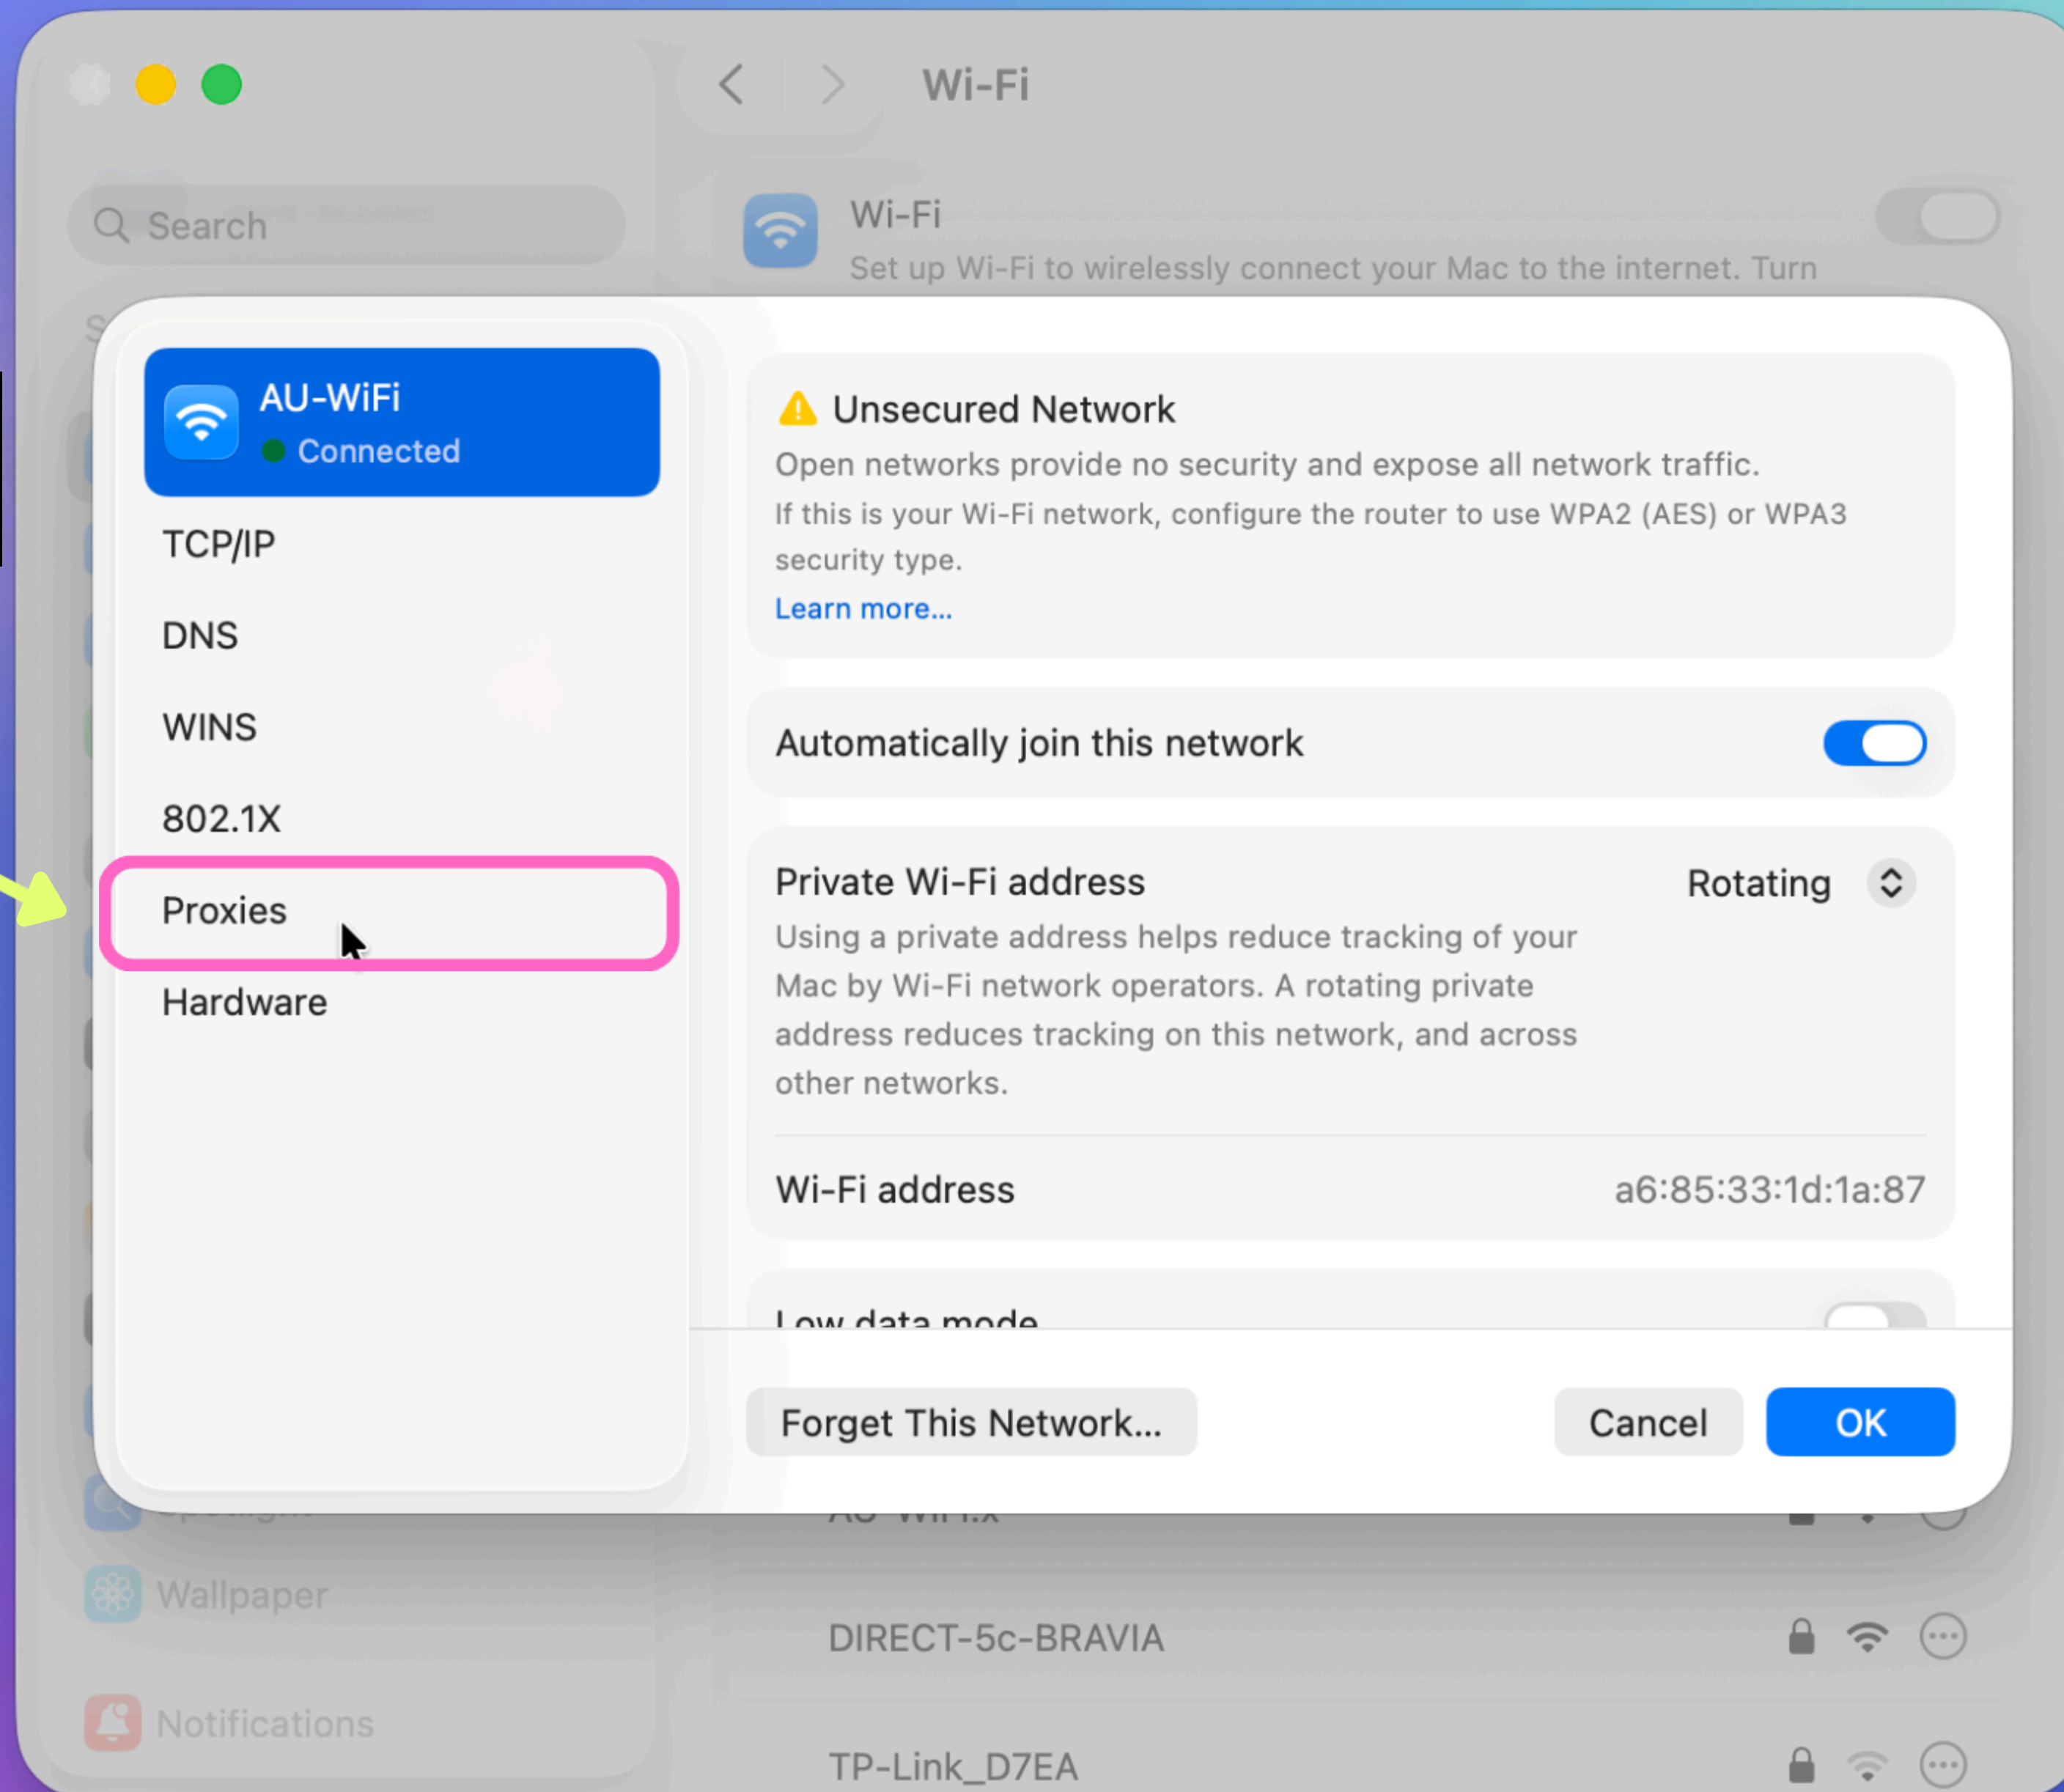

4

Click Details.

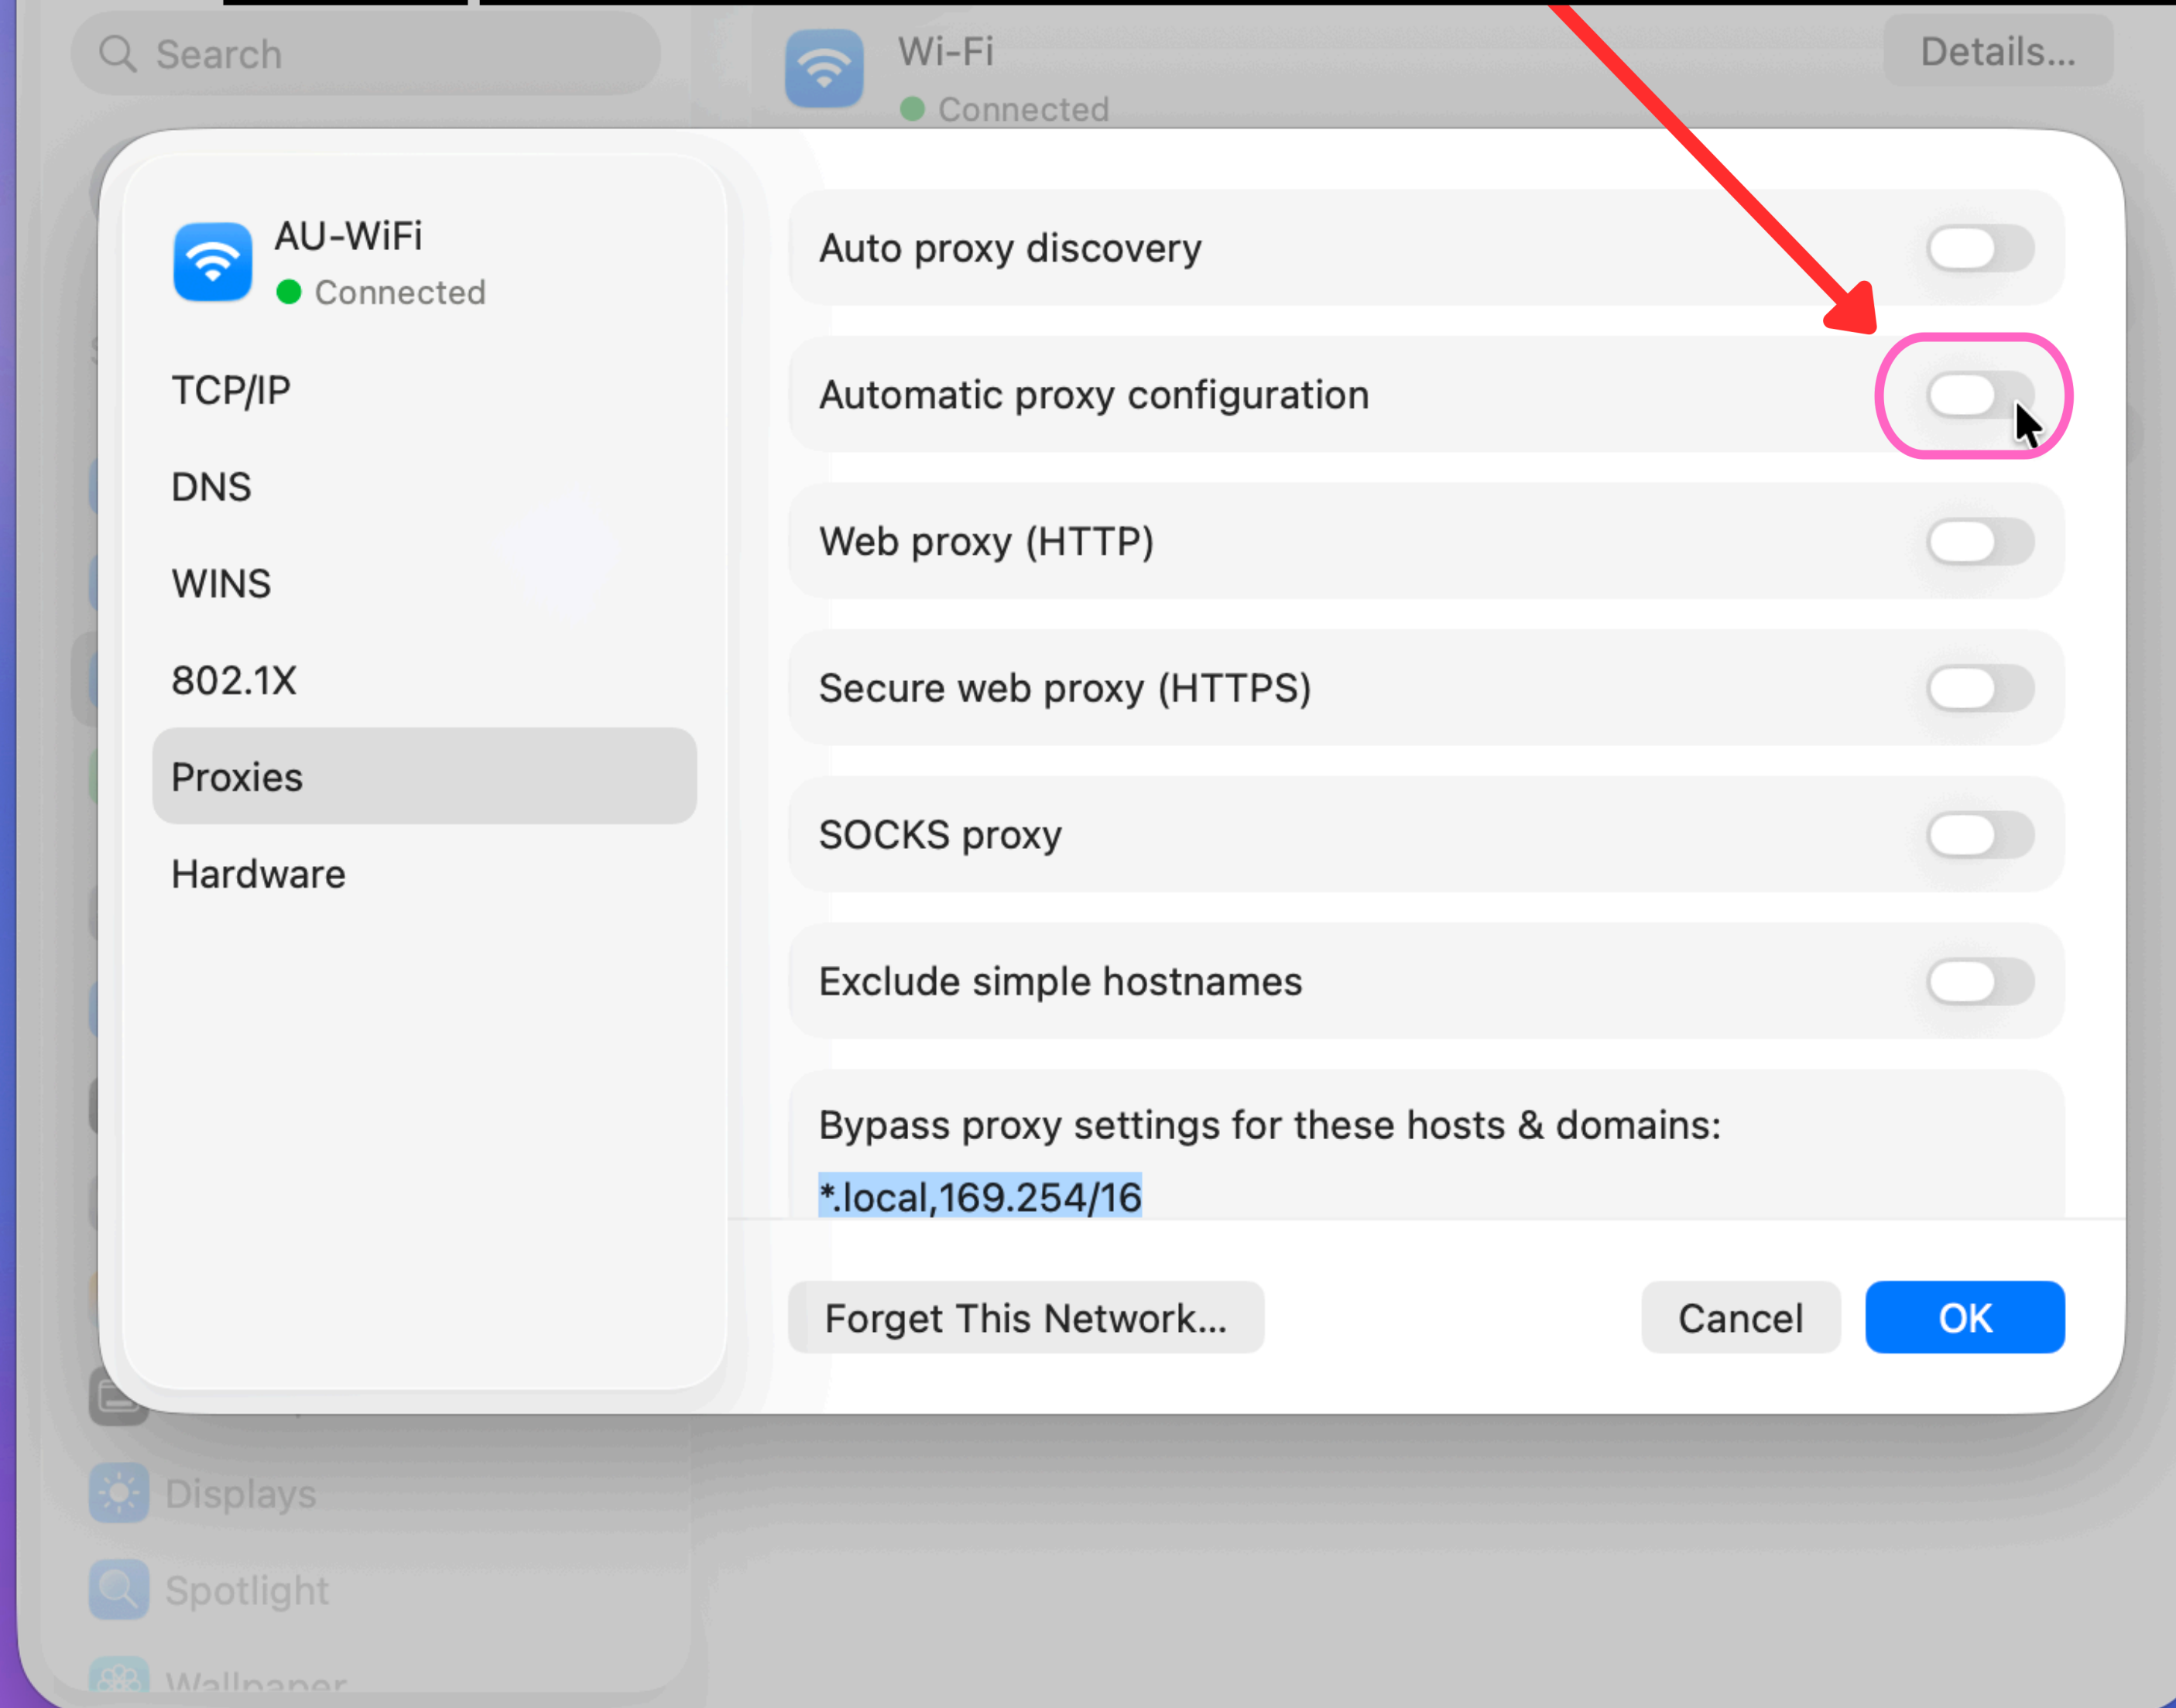

5

Select Proxies.

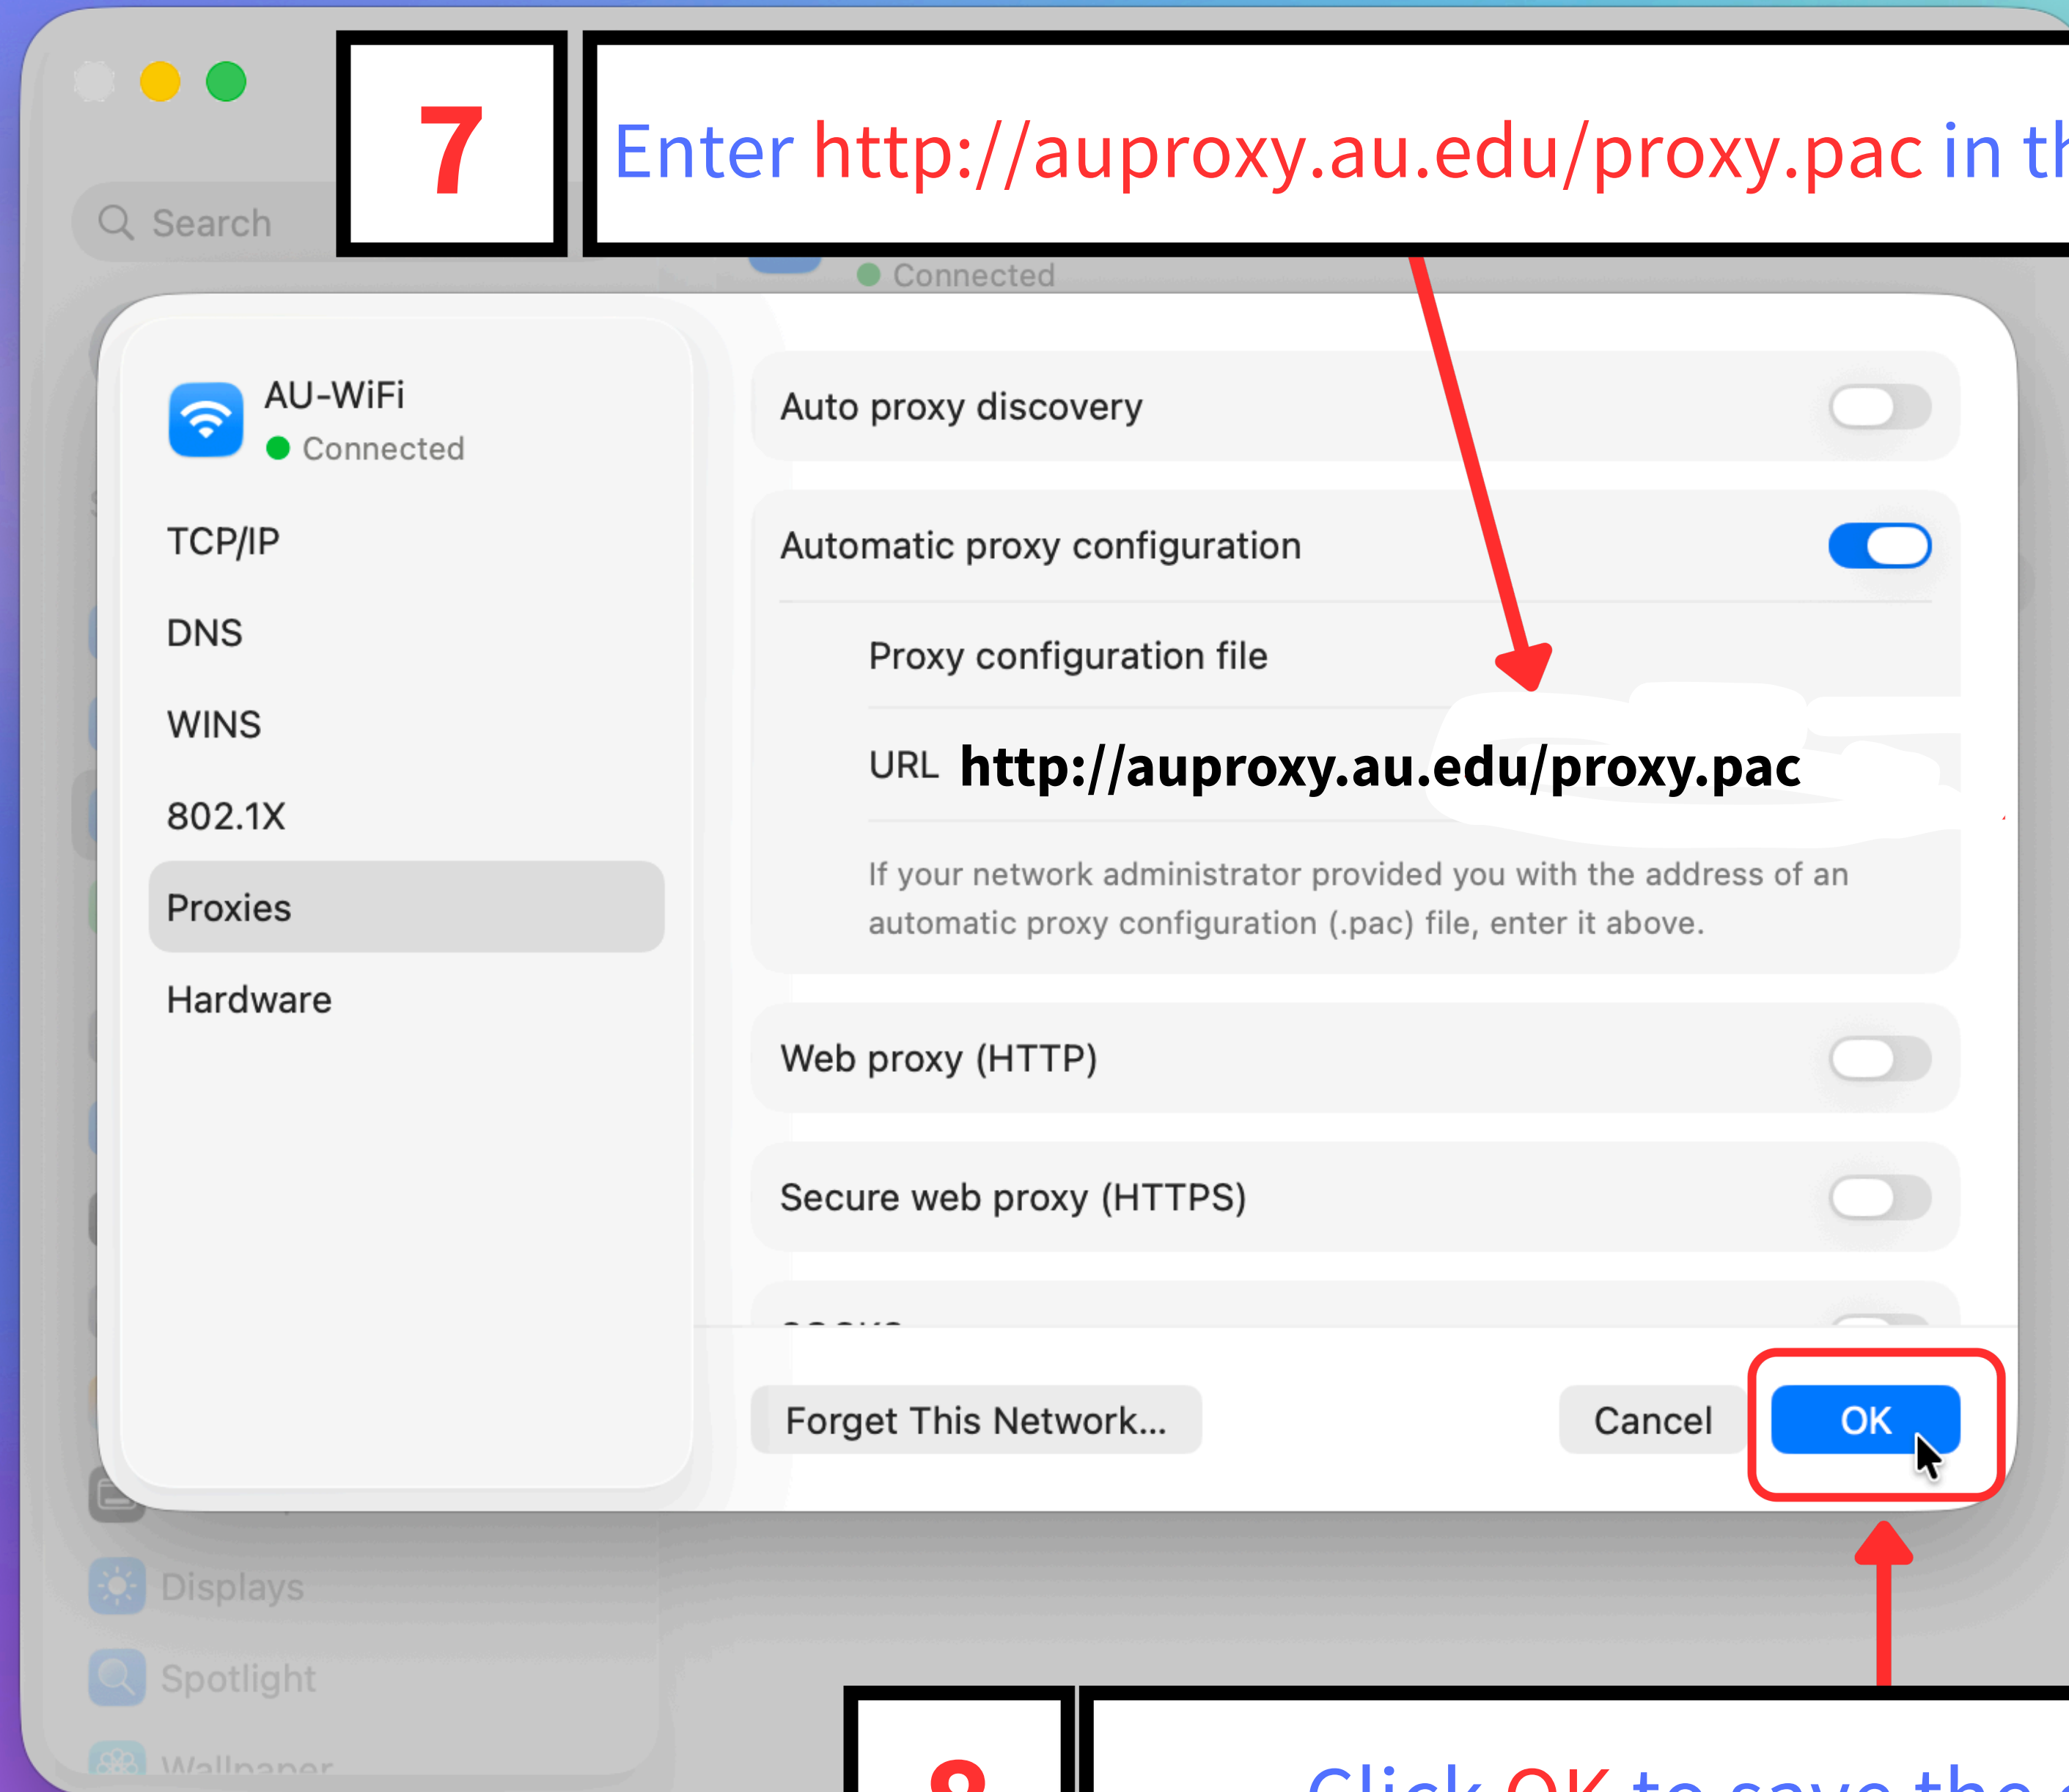

6

Enable Automatic Proxy Configuration.

7

Enter <http://auproxy.au.edu/proxy.pac> in the URL field.

8

Click **OK** to save the configuration.

9

Visit library website at www.library.au.edu and search from ONE SEARCH (The pop up must be allowed → go to page 11)

The screenshot shows the Assumption University of Thailand Library website. The browser's address bar displays library.au.edu. The website header includes navigation links: Help & Support / Voice of Customer / AU Green Library /, the Assumption University of Thailand logo, and a menu with SEARCH, SERVICES, PLACES TO STUDY, RESEARCH SUPPORT, COLLECTIONS, and ABOUT US. A large banner image features three students in a garden. Overlaid on the right side of the banner is a search interface with the following elements:

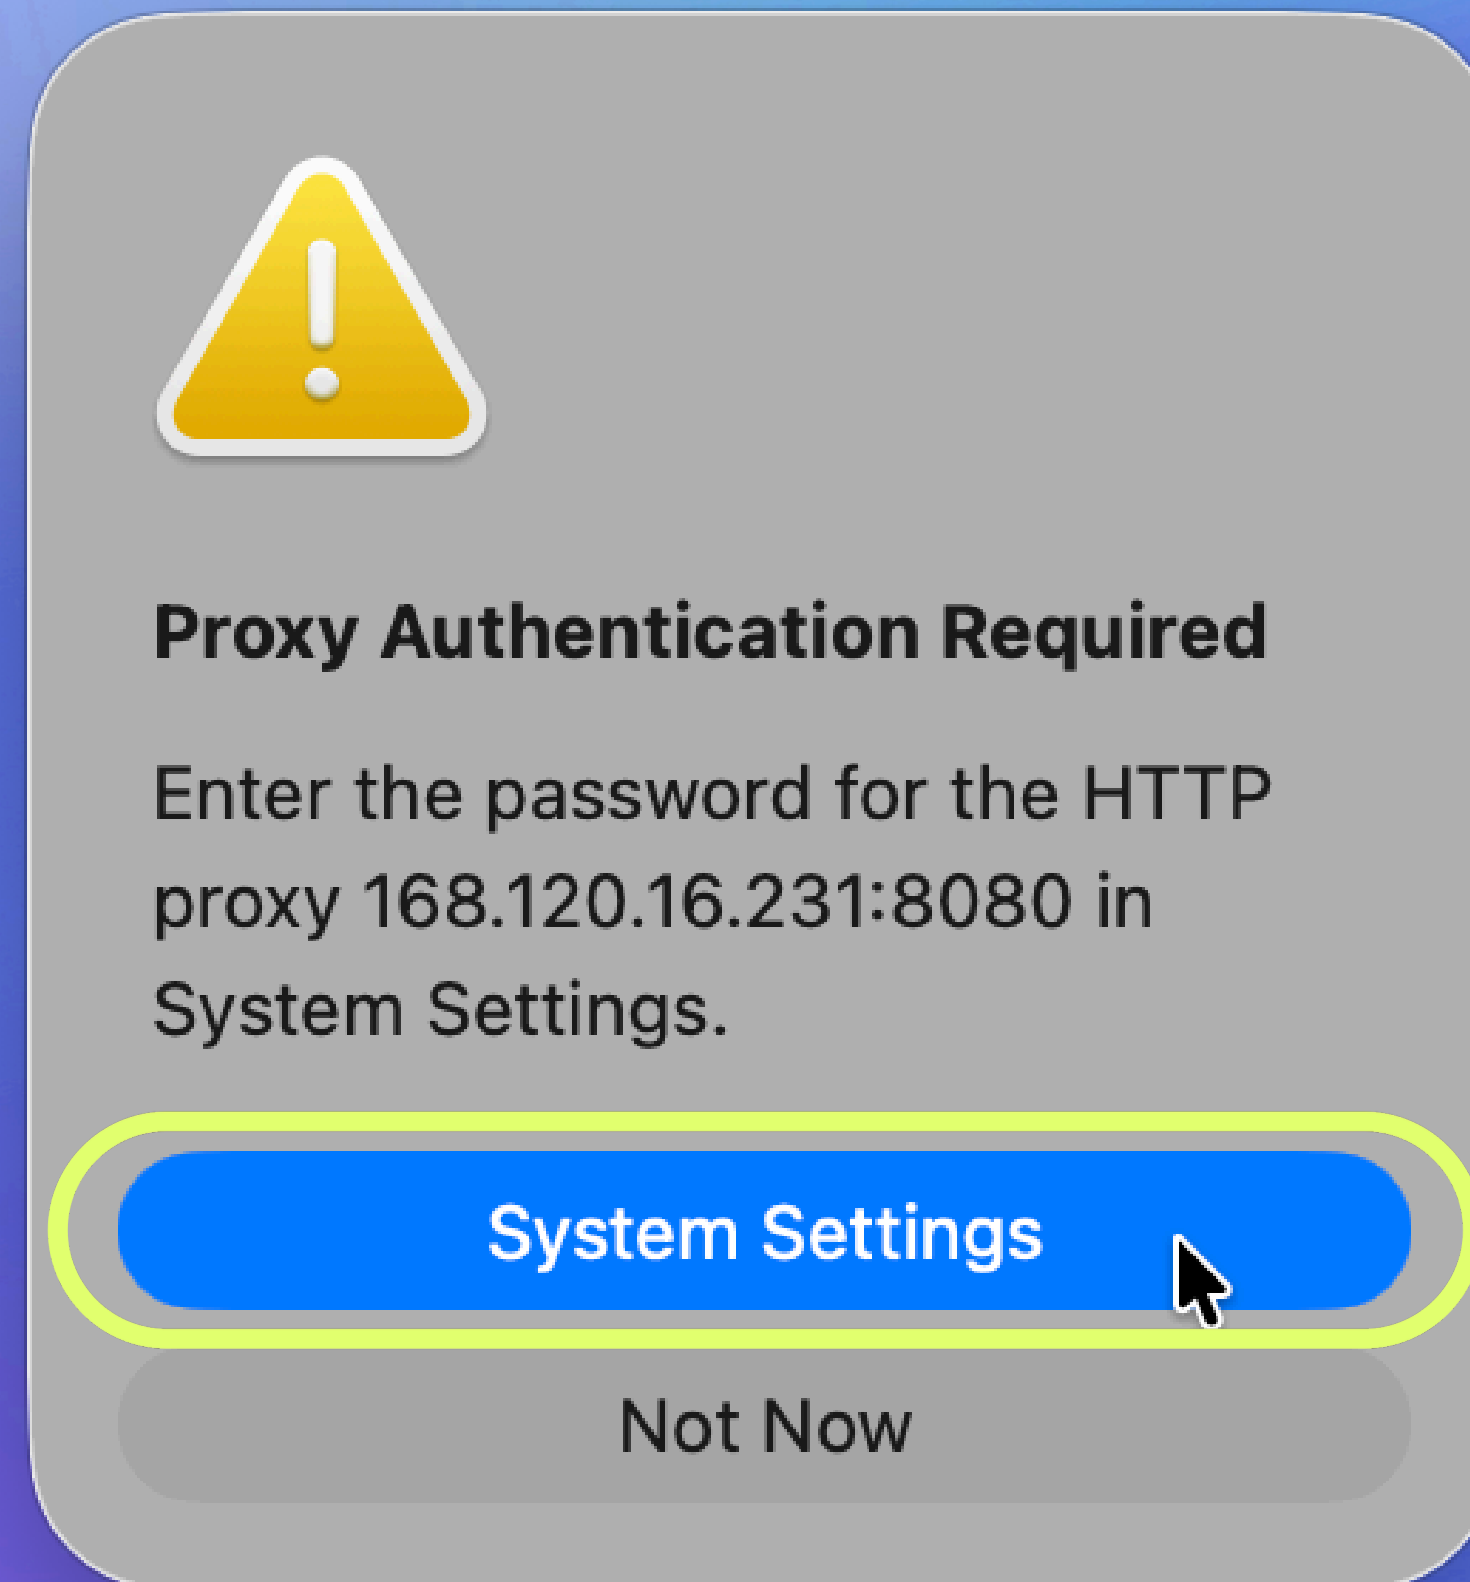

- A box labeled **10** containing the text "ONE SEARCH" and "AU-IR EDS-THAIPUL".
- A search input field labeled **11** with the placeholder text "Keyword" and a dropdown arrow, followed by the text "search books, a".
- A "Search" button labeled **12**.
- A pink arrow points from the address bar to the "ONE SEARCH" box.
- A pink arrow points from the "Keyword" field to the "Search" button.

Below the banner, the text "LIBRARY VISION: The University Library is dedicated to serving as a vibrant hub for learning, re" is visible. Further down, the section "NEWS & EVENTS" is shown, followed by a banner for "LIVE STRONG" with a background image of a library building and a sign that reads "HOURS M. 9 08:30 P. M. M. 9 08:30 P. M.".

And type any keyword on search box then click Search

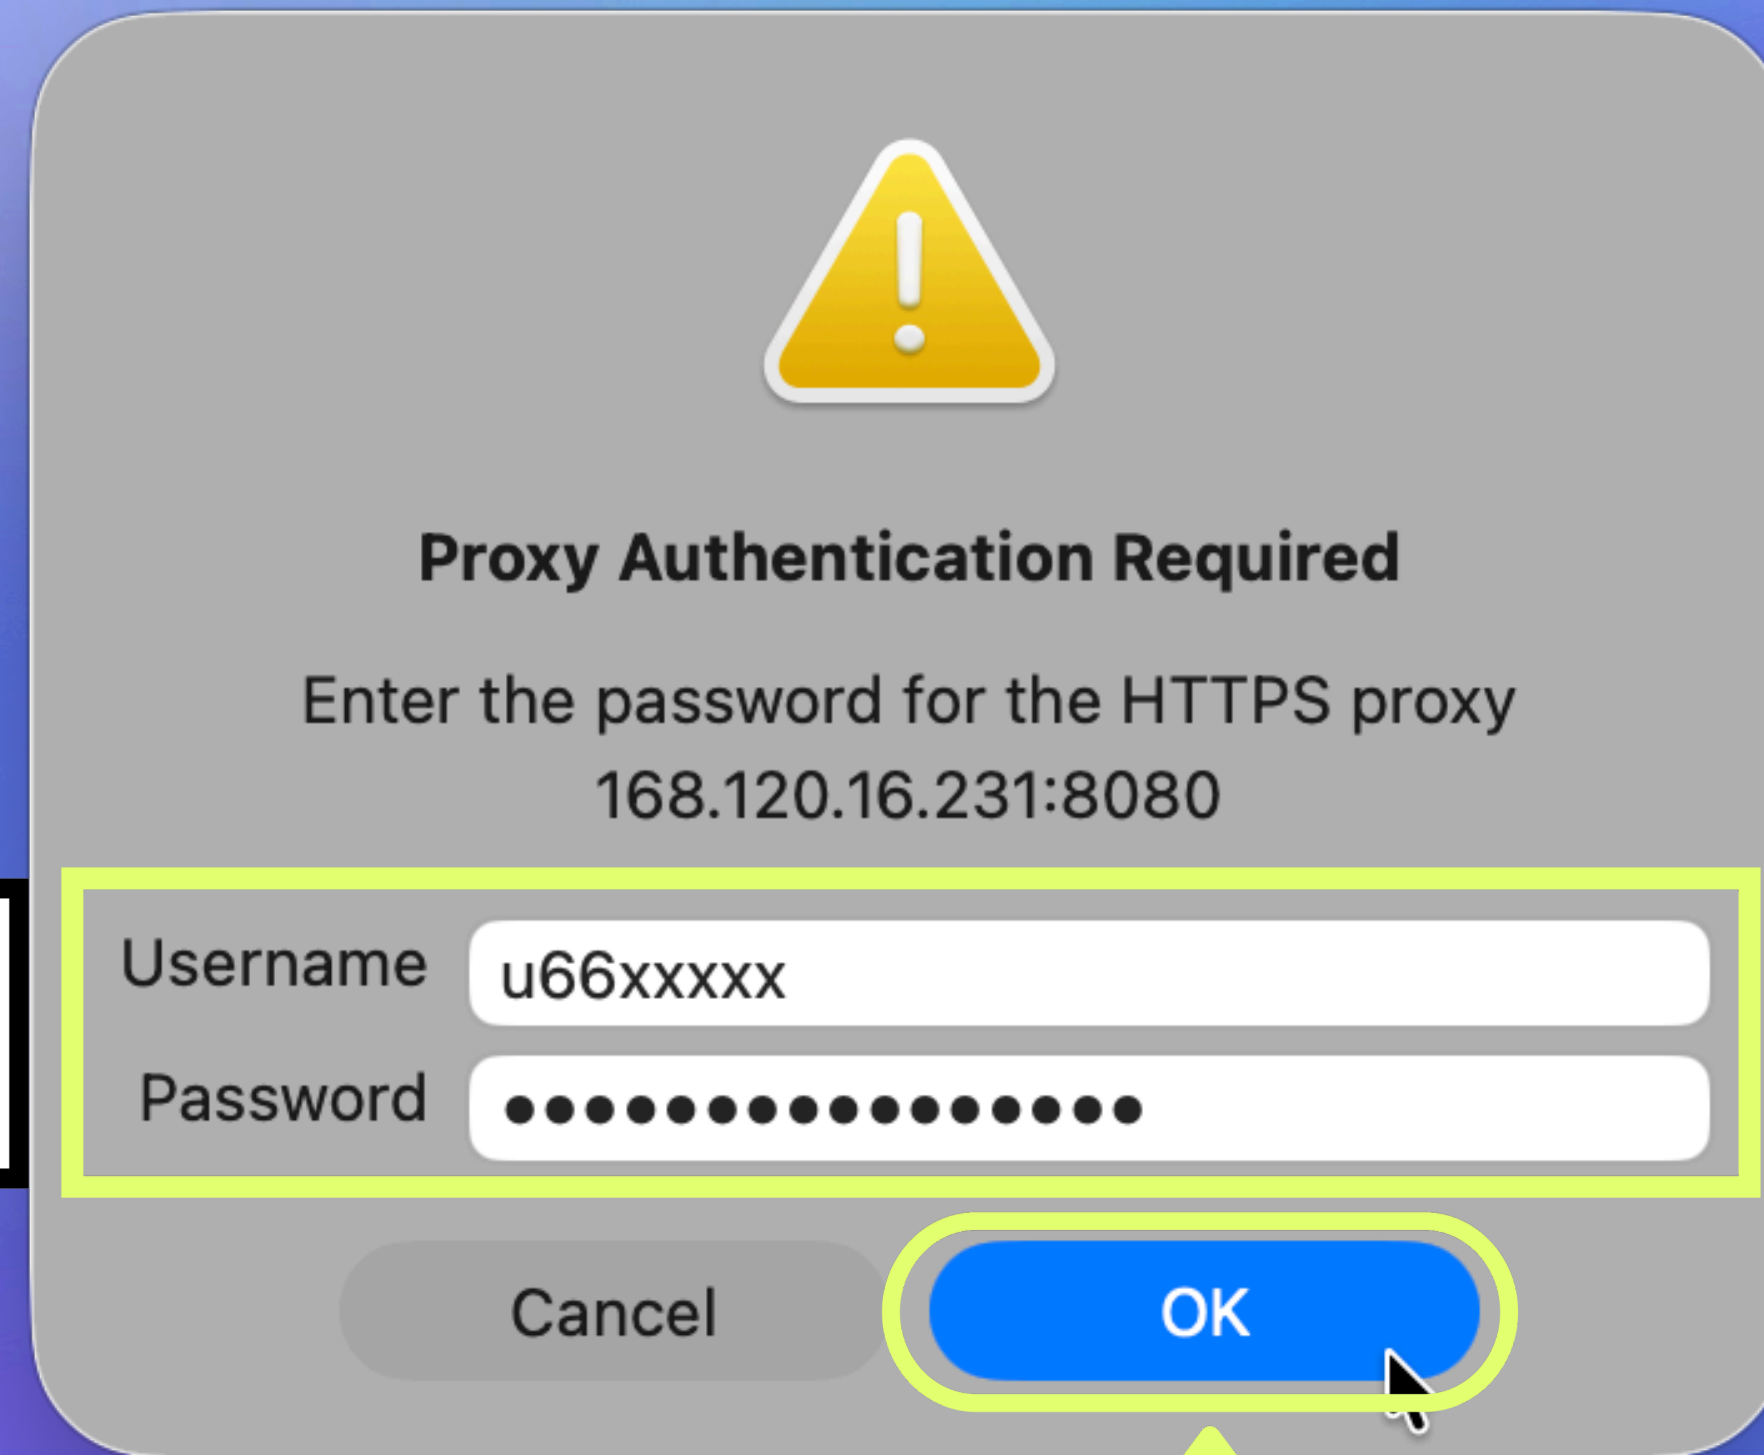

13

When this message appears, click **System Settings**.

Enter your "Username" and "Password". (AU Account)

14

A dialog box titled "Proxy Authentication Required" with a yellow warning icon. It prompts the user to "Enter the password for the HTTPS proxy 168.120.16.231:8080". The dialog contains two input fields: "Username" with the text "u66xxxxx" and "Password" with masked characters. Below the fields are "Cancel" and "OK" buttons. A yellow box highlights the input fields, and a yellow circle highlights the "OK" button.

Proxy Authentication Required

Enter the password for the HTTPS proxy
168.120.16.231:8080

Username u66xxxxx

Password

Cancel OK

The same account to
access AU Wi-Fi

Click OK to proceed.

How to allow pop up

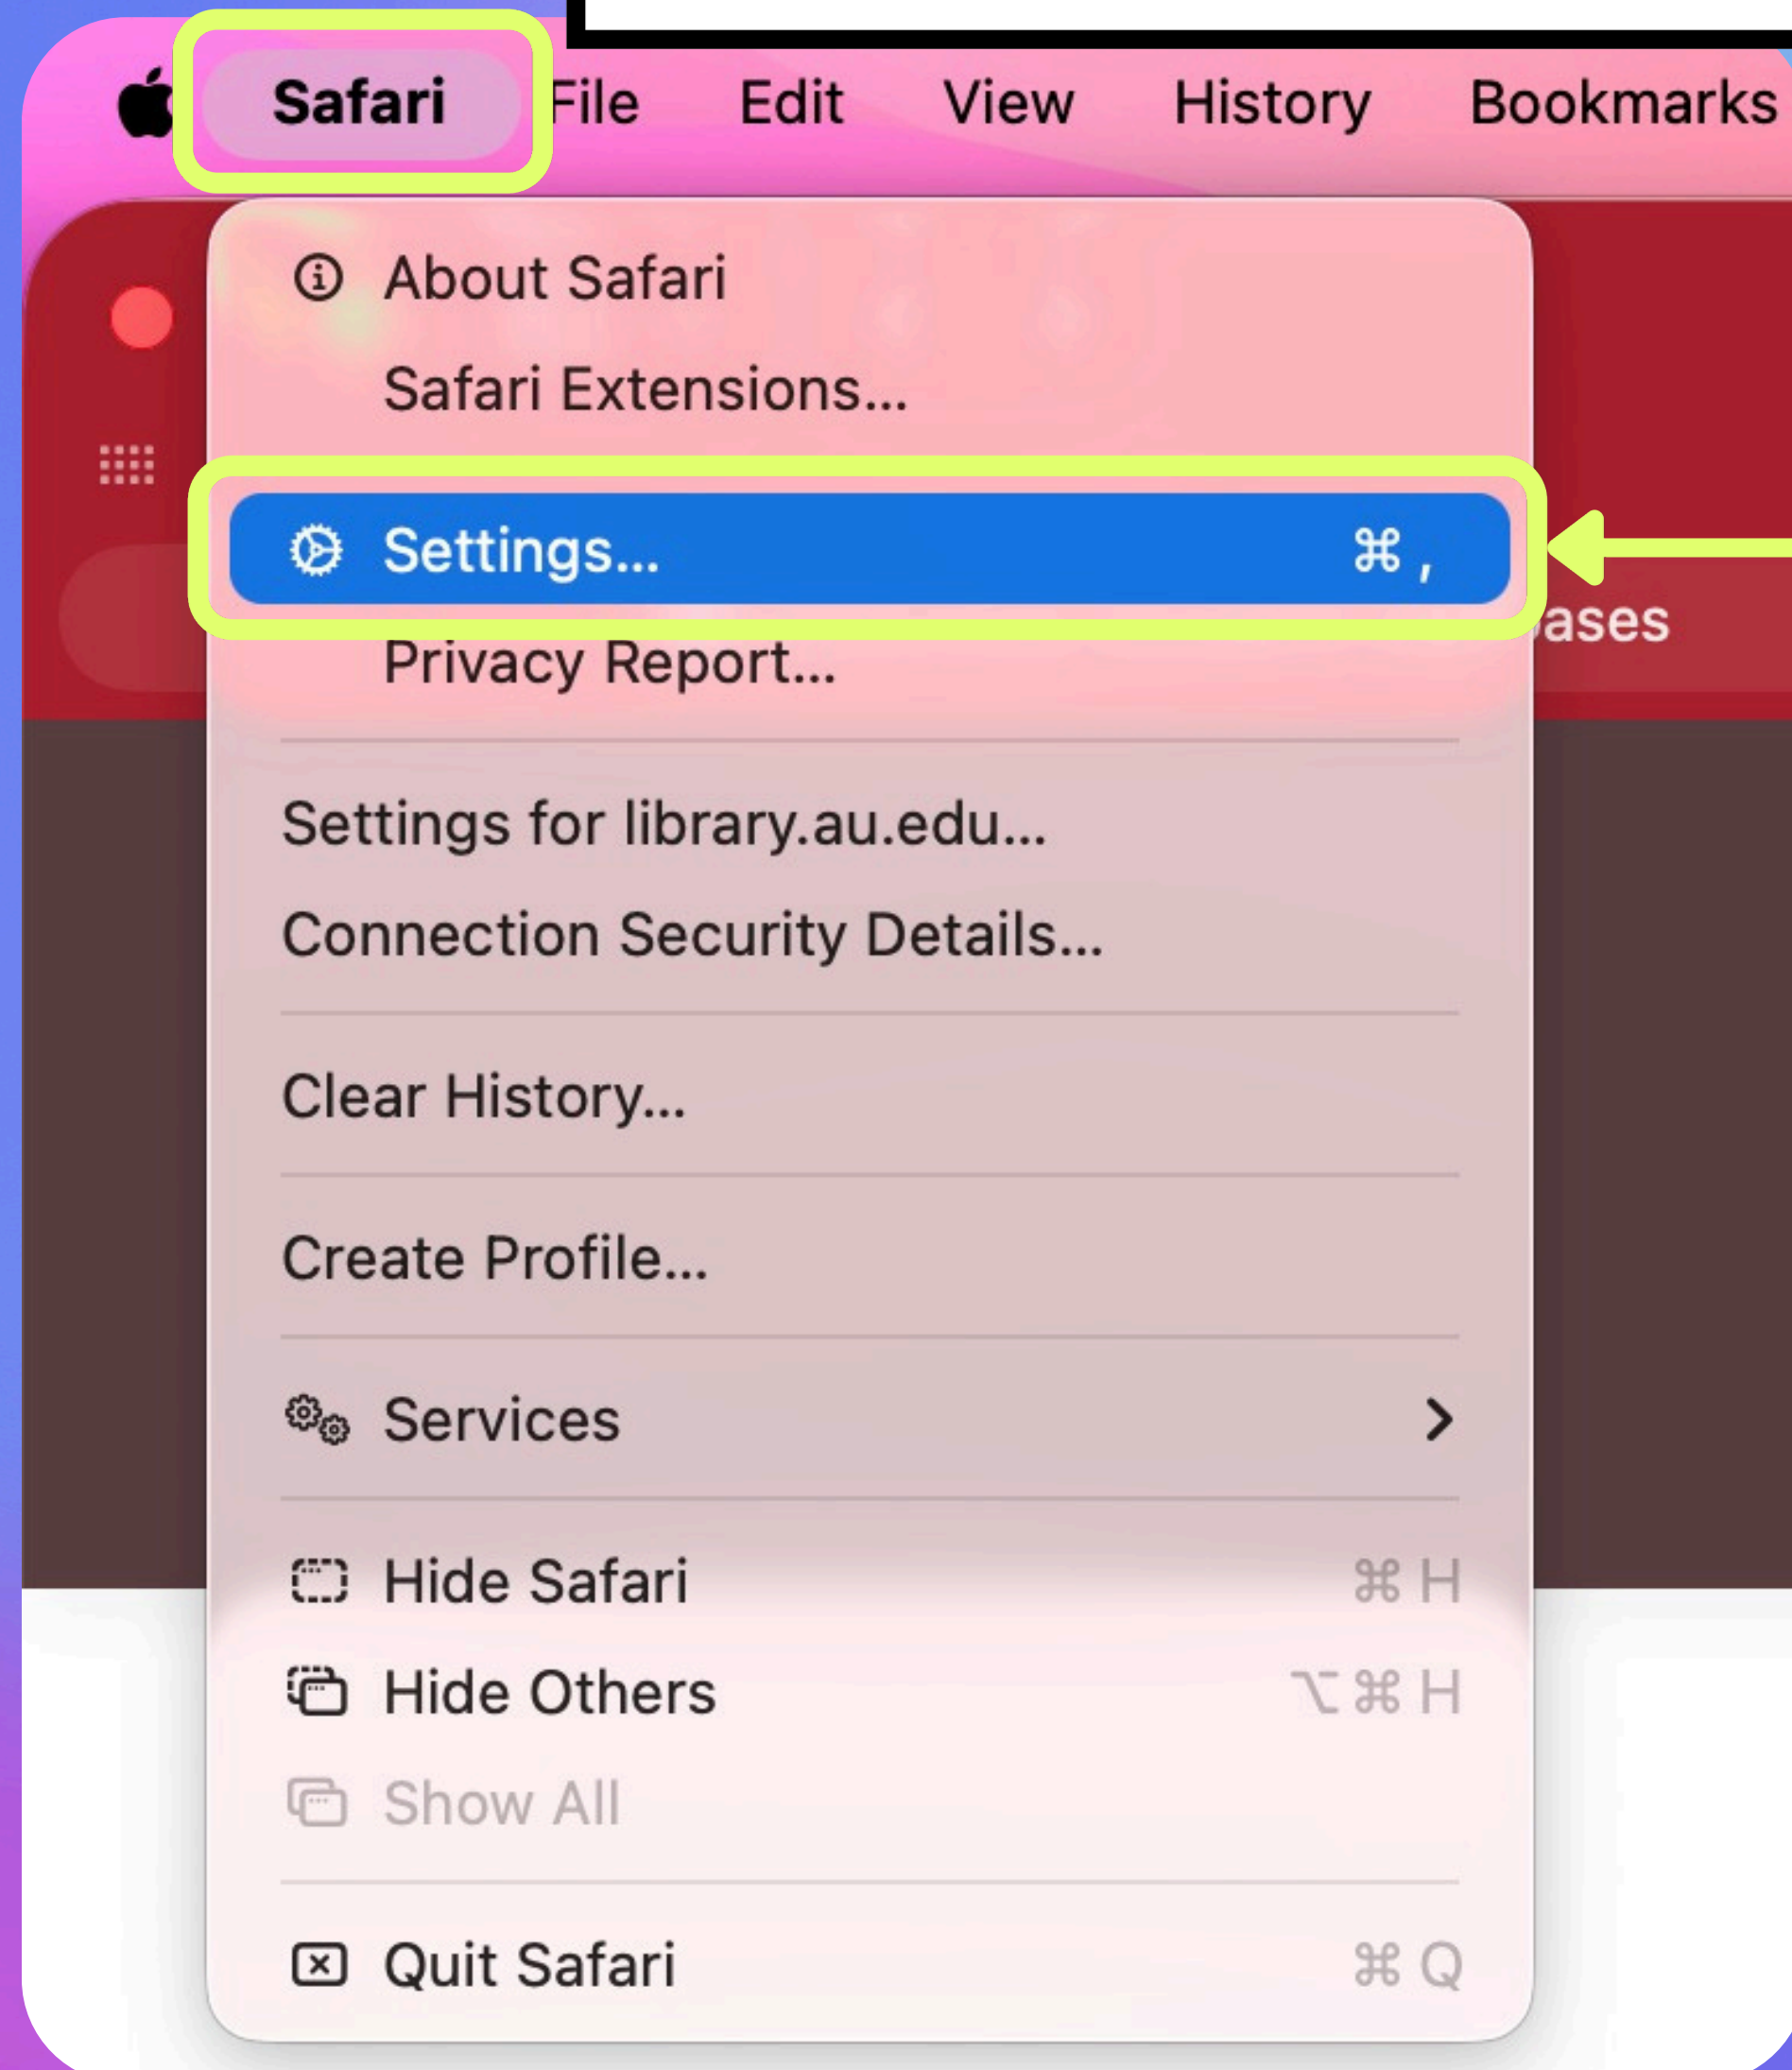

1

Click the **Safari icon** in the top-left corner of your screen.

2

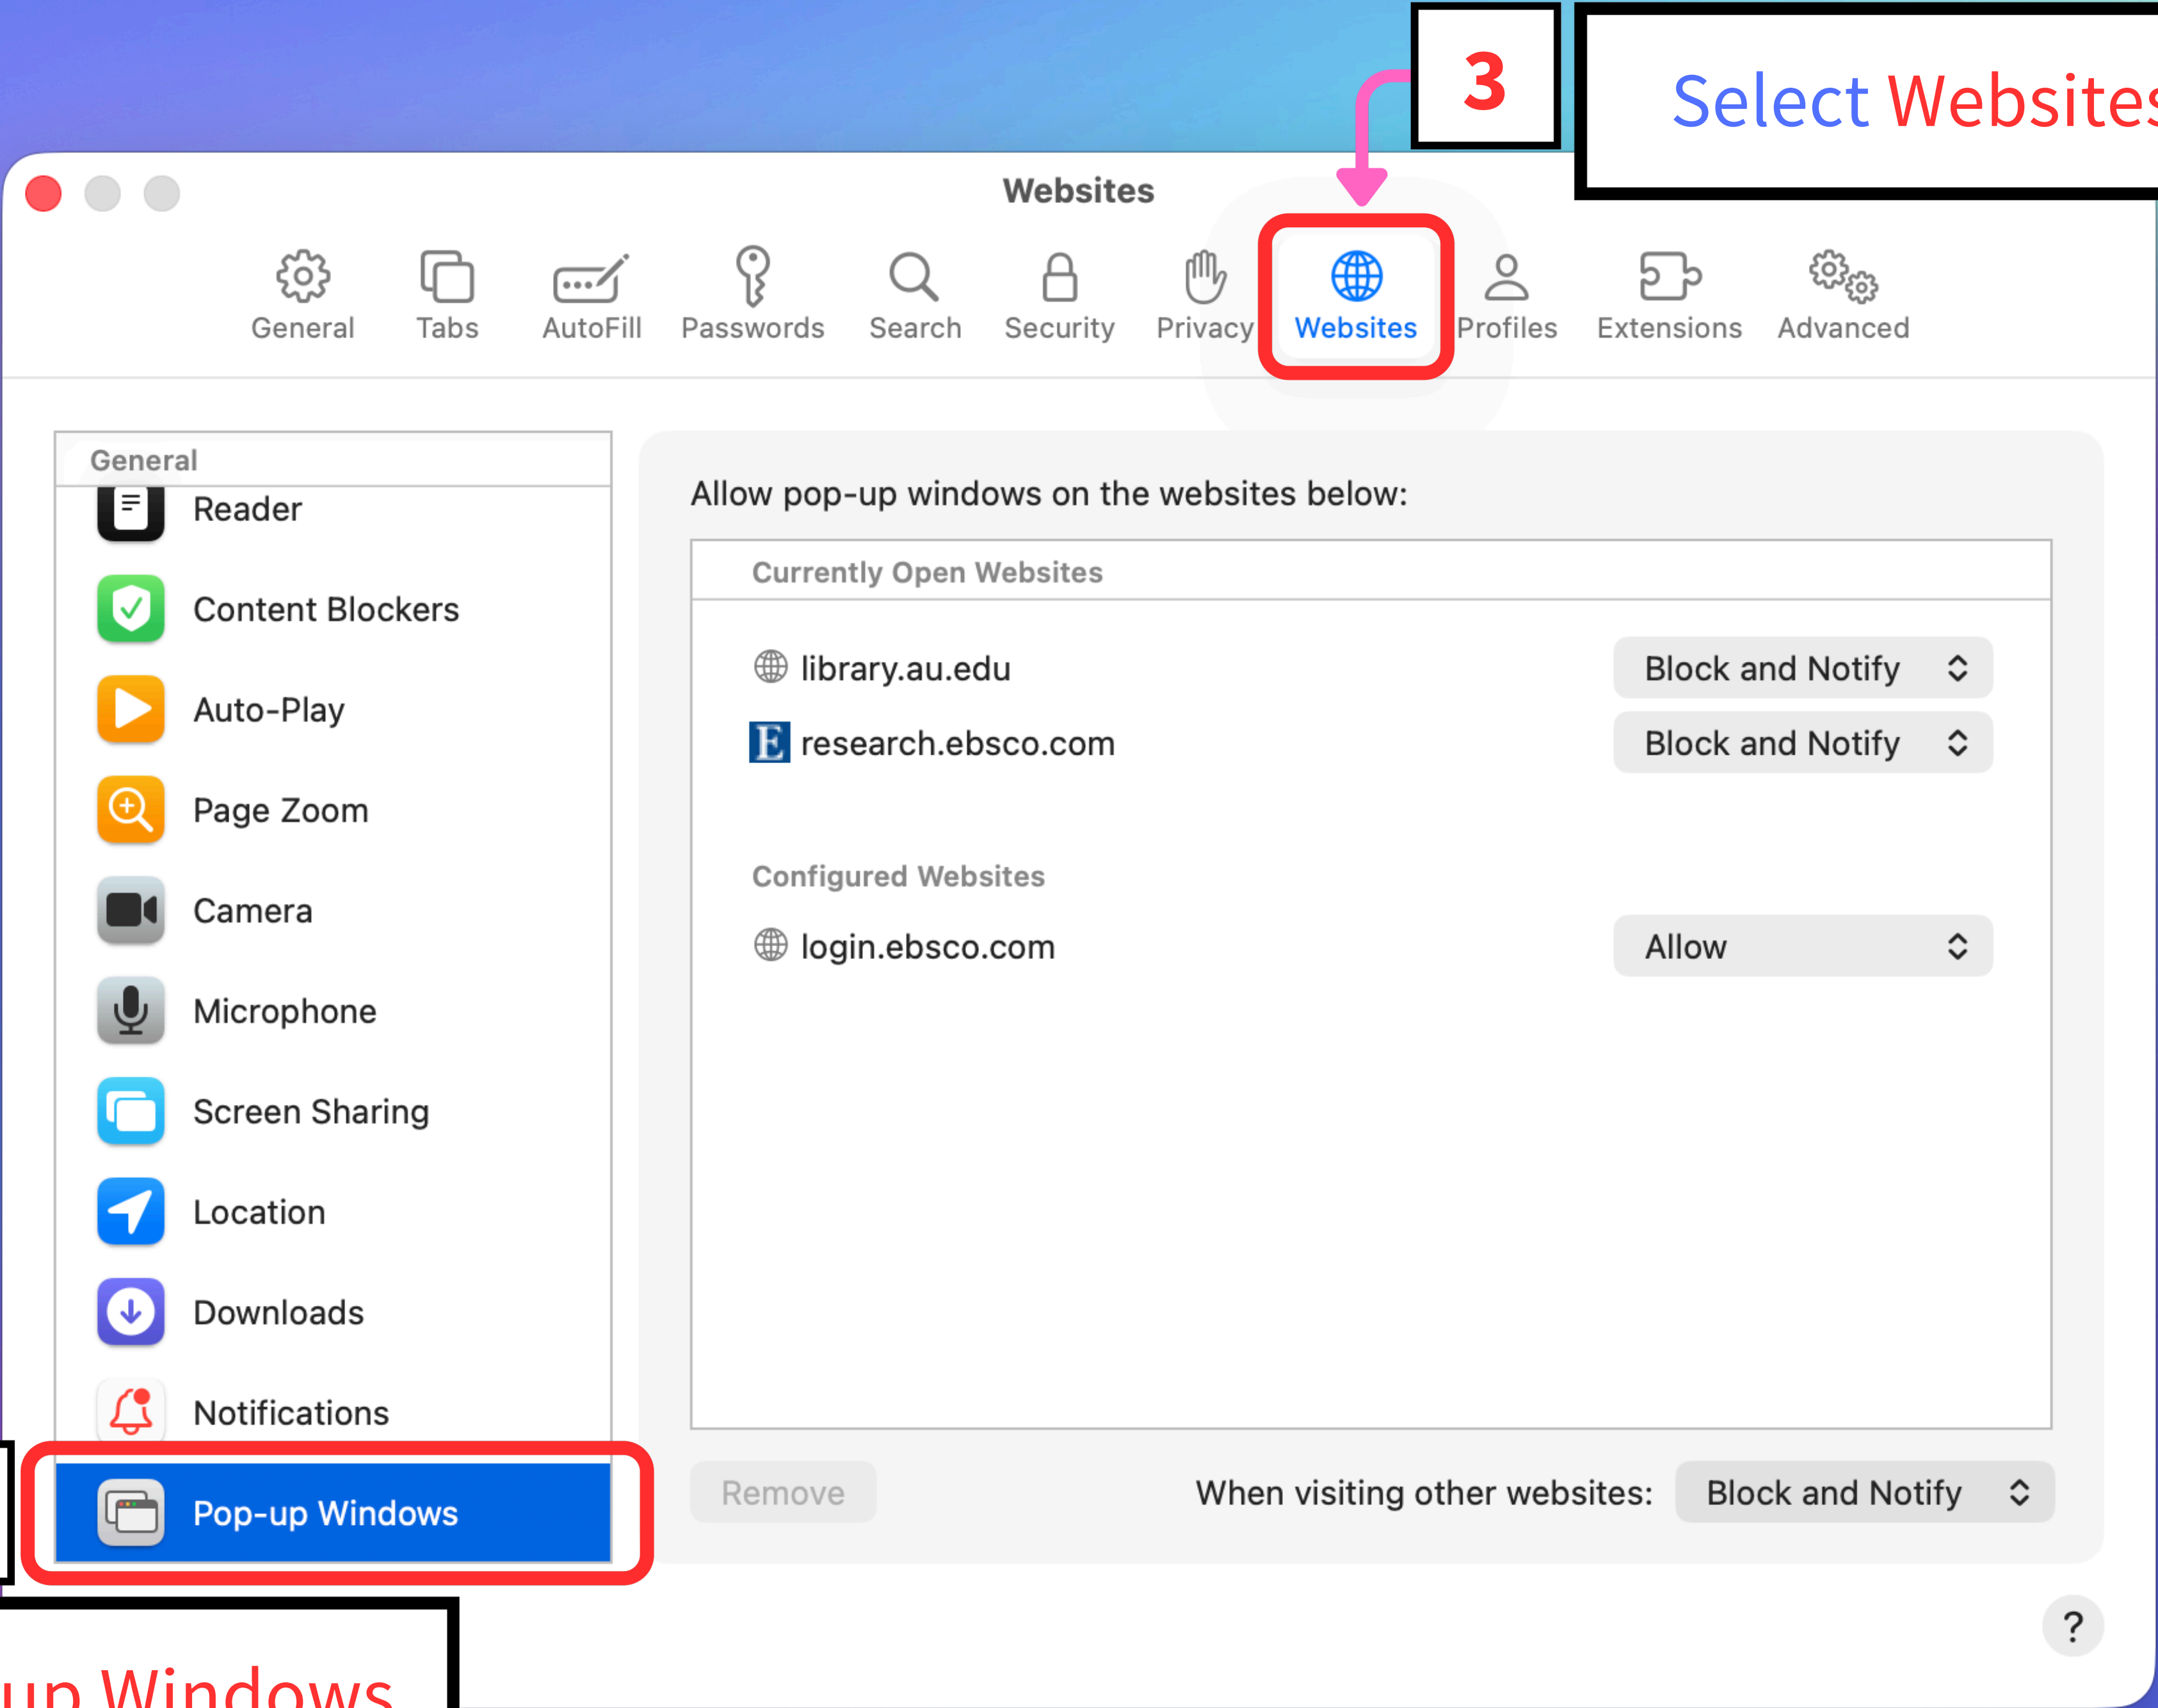

Select **Settings...**

*This opens your Safari's settings window.

3

Select Websites

4

Select Pop-up Windows
