The screenshot displays the library website's search page. At the top, the browser address bar shows 'library.au.edu'. The website header includes contact information, the university name, email, and date. A navigation menu lists 'SERVICES', 'HELP AND RESEARCH SUPPORT', 'PLACES TO STUDY', 'ABOUT US', and 'CONTACT'. The main search area features three tabs: 'ONE SEARCH' (selected), 'AU-IR', and 'EDS-THAIPUL'. Below the tabs, a search instruction reads: 'Search for books, Licensed electronic resources, etc. from EBSCO Discovery Service (EDS)'. A search box contains the text 'Consumer Behavior', and a red 'SEARCH' button is to its right. A blue banner at the bottom contains the instruction: '9. Type any Keyword on Search Box then Click Search'. Red arrows point from the banner to the search box and the 'SEARCH' button.
